

Breakdown protection from the UK's most experienced breakdown recovery provider

When you agree to pay the additional fee, the Customer Protect Bronze Plus warranty will include Customer Protect Assist attended by the RAC.

As the UK's most experienced breakdown recovery provider, the RAC dedicated patrol network has been providing exceptional service to motorists like you for over 119 years.

The RAC offers you more. The RAC assisted at 2.2 million breakdowns in 2015 and their patrols repair vehicles on average within 30 minutes at the roadside. So if you need to call them, it won't be long until you're moving again.

To enjoy worry-free motoring for up to three years, get protected with Customer Protect Assist attended by the RAC.

**Recovery (includes Roadside)<sup>Δ</sup>**

We'll take you, up to seven passengers and your car to the nearest approved garage for repairs. If the car can't be fixed or if there is no garage nearby, they will arrange for your vehicle, you and up to seven passengers to be transported to a destination of your choice.

**At Home (includes Roadside and Recovery)<sup>Δ</sup>**

An RAC Patrol will be despatched to your home address or within a 1/4 mile radius. Attempts will be made to repair your vehicle on the spot. If a repair is not possible they will transport your vehicle to the nearest approved repairing garage.

**BRONZE PLUS WARRANTY**

**UPGRADE:**  
Customer Protect Assist attended by the RAC

<sup>Δ</sup>Customer Protect Assist attended by the RAC is subject to terms and conditions. These are available from the selling dealer.

# PROTECTING YOUR VEHICLE FOR THE ROAD AHEAD

## BRONZE PLUS PARTS INCLUDED

The following specifically listed components are included against any Mechanical Breakdown occurring during the Warranty period, provided that the terms and conditions of the Agreement are fully complied with. Any component not listed is specifically excluded.

### ENGINE

The rocker assembly including hydraulic followers, inlet and exhaust valves, inlet and exhaust valve springs and inlet and exhaust valve guides. Buckets, shims, collets, cam journals and cam bearings. Cylinder head, cylinder head gasket, camshaft and followers, timing gears and chains, oil pump, pistons and rings, cylinder bores, con rods, gudgeon pins and bearings, crankshaft and bearings, inlet manifold, flywheel and ring gear. Crank main bearings, crank big end bearings and con rod small end bearings, main journal caps and big end caps (excluding crank balance shaft and drive unit).

Excluding cracked or porous cylinder heads and bores, carbon deposits, skimming/pressure testing, burnt valves and timing chain/belt tensioners and guides.

Timing belts are included provided that the last due change of belt has taken place as specified by the manufacturer's schedule (proof required).

### MANUAL GEARBOX

All internal mechanical components. Internal gears, synchromesh and synchromesh hubs. Selector forks and selector shafts. Speedo drive. Bearings, input, output and lay shafts and bushes.

Excluding external selector mechanisms, all electrical components and oil seals and leaks.

### AUTOMATIC GEARBOX

All internal mechanical components. Internal gears, sun and planet gears and carriers. Brake bands, clutch steel discs and clutch drums (excluding friction linings). Valve block, pressure valves and internal main shafts and pressure seals.

Excluding external selector mechanisms, all electrical components and oil seals and leaks.

### TORQUE CONVERTER

All internal mechanical components. Pump, turbine, stator and lock up clutch. Bearings and internal bushes.

Excluding all electrical components and oil leaks.

### DIFFERENTIAL

All internal mechanical components. Crown wheel and pinion, planet gears and pins. Main input bearing and input seal. Output bearings (excluding output seals).

Excluding all electrical components and oil leaks.

### CLUTCH

All internal mechanical components including master and slave cylinders. Oil contamination to centre plate only.

Excluding labour costs.

### FRONT-WHEEL DRIVE

Drive shafts, including constant velocity joints, universal joints and couplings. Outer constant velocity joint housing, inner race, cage and bearings. Outer drive shaft housing, inner race, cage and bearings. Front wheel bearings.

Excluding gaiters.

### REAR-WHEEL DRIVE

Rear half shaft bearings and shaft. Rear constant velocity joint housings, inner race, cage and bearings. Rear wheel bearings.

Excluding gaiters.

### PROPSHAFT

Universal joints and couplings, bearings.

Excluding gaiters.

### FUEL SYSTEM

Mechanical or electrical fuel pump only.

### ENGINE COOLING SYSTEM

Water pump, thermostat, thermostat housing and engine electric cooling fan only.

### STEERING (INCLUDING POWER ASSISTED STEERING)

Steering rack (excluding gaiters), steering box and pump, steering lock.

### SUSPENSION

Coil springs, suspension arms.

### BRAKES

Brake master cylinder, wheel cylinders, restrictor valve and brake callipers.

Excluding seizure and corrosion.

### ELECTRICAL SYSTEM

Starter motor, alternator, front windscreen wiper and washer motors, clock, headlight switch, wiper switch, front and rear fog light switches, heated rear window switch, heated front window switch, indicator switch, horn.

### WORKING MATERIALS

Oils, oil filter and antifreeze are included only if it is essential to replace them as part of an agreed claim.

### CASINGS

If any of the included parts fail and this damages the casing, it will also be included only as part of an agreed claim.

### OPTIONAL PARTS AVAILABLE

### TURBO CHARGER (FACTORY FITTED)

The turbo charger unit is included if this item has been selected on the Schedule.

## WHAT IF...

...your car refuses to start or breaks down? Even the most reliable of vehicles can let you down sometimes, and cost a fortune to repair.

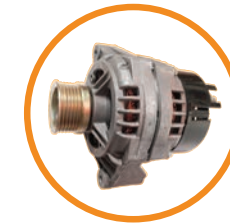

Customer Protect Bronze Plus Warranty is designed to help with the cost of repairs, including replacement parts, labour and VAT.

And when you consider that modern vehicles contain over 1,000 components, any of which might fail over time, the impact on your pocket could be painful.

WATER PUMP

£198

ALTERNATOR

£291

HEAD GASKET

£476

BRAKE CALLIPERS

£157

DIFFERENTIAL

£1946

## SIGNIFICANT BENEFITS

- Includes parts labour and VAT
- National repair network
- Three to 48 month options available
- Fast payment of valid claims
- Comprehensive range of parts included
- Recovery attended by the RAC\*

## EXCLUDED

Exclusions apply as detailed in the warranty agreement schedule.

The listed components are subject to the terms as described in your warranty agreement and are also subject to certain limitations in the maximum amount paid in the event of a breakdown. Please ask your supplying dealer for further details. Your statutory rights are not affected by the terms of this Mechanical Breakdown Warranty.\*Optional.
